“We Ride So Kids Can Walk”

For WSA 2010 El Zaribah Shrine will be offering a motorcycle ride showcasing some of what the Great State of Arizona has to offer.

For those of you that would like to rent a motorcycle, arrangements have been made with the Rental Department at Chester's Harley Davidson (480) 894-0404 for your convenience. If you are a HOG Member contact Harley Davidson Fly & Ride (1-800-258-2464) and reserve a motorcycle thru them.

We will have transportation available to & from the Mission Palms and Chester's. The group (vans & motorcycles) will be departing the hotel at 8am. We will have coffee & donuts at the dealership prior to the ride.

We will be riding through some fantastic mountain ranges, big long sweepers, rise & falls in elevation and Roosevelt Lake, the largest lake in Central Arizona. We will be stopping at various locations for photo ops and refreshments as well as brunch at The Back 9 Bistro located at the Corre Valley Country Club in Globe. Afterwards, we will

wind our way back to Chester's to drop-off any rentals and then back to the hotel.

The only cost to you will be your rental (\$100 HOG-\$150 non-member), brunch (\$25pp) and gas of course.
