

El Zaribah Shriners – Elected Divan 2010

Nate Boyer – Treasurer

My name is Nathan Boyer. I was invited into the Masons in 1975 and joined El Zaribah Shriners by crossing the "hot sands" in Yuma, Arizona.

Immediately I got involved and active in many functions and committees. In 1979 I was President of the Culinary.

In 1978 and 1979, I organized, engineered, raised money, and got the Shrine bottle made by the Jim Beam distillery for WSA 1980. It is the one with the Little Fez for the cap.

Along the way I was very active in such functions as the annual Caravan to Salt Lake City hospital, Clothe-A-Child each Christmas in Phoenix and outlying areas, and made most Ceremonials up to and including the first one at Lake Havasu.

When we built the new building there was little need for the Culinary unit for a few years, so I changed units and joined the Mounted Patrol of which I am still a member.

In December of 2002 I was elected to the El Zaribah Divan as Treasurer.
